Jatuli Mittens

Materials needed

Size M: Two skeins sport/DK weight yarn.
One of each colour, appr. 130m each and set of 3mm dpns or
Size S two skeins 160m/50g Novita Luxus
Alpaca and set of 2,5mm dpns
Waste yarn, darning needle to weave ends in

Gauge:

Size S / 24 stitches and 34 rows / 10 cm Size M / 21 stitches and 29 rows / 10 cm in double stockinette

Right mitten

Tubular cast on 42 pairs of stitches. Divide to dpns and start working in the round. Knit double stockinette and follow the cuff chart. Cuff chart is worked twice over the cuff stitches.

Start the mitten chart. When you have increased 12 stitches for thumb gusset, you can move thumb stitches to a waste yarn and replace moved stitches with 2 loop increases.

In the end of the chart you can keep knitting until the mitten is long enough. You should almost cover the tip of your ring finger.

Top decreases

1st decrease row *work 2 pairs of stitches, then make 2 tog. Repeate from * until the end of row.

Work 2 more double stockinette rows. **2nd** decrease row *work 1st pair of stitches,

then make 2 tog. Repeate from * until the end of row.

Work 1 more double stockinette row. **3rd** decrease row: 2 tog throughout the row Work 1 more double stockinette row.

Cut yarns and pull those through the remaining stitches.

Thumb

Pick 6 pairs of stitches from the thumb opening cast-on edge. Add these to the stitches on waste yarn. Makes 18 pairs of stitches.

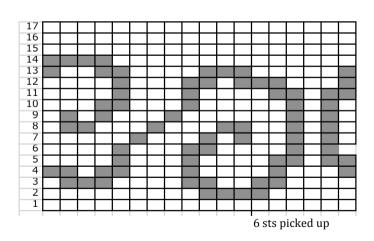

Work for 17 rows of thumb chart. Then repeat **2nd decrease row** from top decreases. Work 2 more double stockinette rows and then finally **3rd decrease row**.

Cut both yarns and pull those through the remaining stitches.

Left mitten

The set up and cuff is worked exactly like the right mitten. After the cuff rows work is then continued according the chart for left mitten. Top decreases, see right mitten.
